BIOGRAPHY

+ INTRO

TECHKILLA es un colectivo de artistas audiovisuales, Djs y Productores de musica electronica, dedicados a difundir y seleccionar musica de la mas alta calidad y vanguardia, especializandonos en generos de la musica electronica conocida en el mundo del EDM como Bass Music incluyendo estilos como el: drum and bass, break-beat, dubstep, glitch-hop entre otros, cuyos sonidos van de las atmosferas mas relajantes, beats lentos y confortables hasta sonidos mas fuertes y energicos para la pista de baile asegurando asi una versatilidad completa para cualquier tipo de festividad o evento.

+ HISTORIA

El colectivo se forma en el año 2002, partiendo de la necesidad de crear una plataforma estable para proyectos artísticos relacionados con la música electrónica experimental y vanguardista que se especialicen en los géneros del Bass music.
